Interview

Interview at Tiananmen Square with Chai Ling | Asia for Educators | Columbia University, afe.easia.columbia.edu/special/china_1950_chailing.htm.

This is the interview of Chai Ling -- the Chinese psychologist and one of the leader of the Tiananmen square protest. She gave us the inside look of the Chinese government, and how she decided to leave China. We used this for our website as it includes important information of the desire of people and how China just ignored them.
